Overview

The collated reports are to supplement the Environmental Statement produced for the Proposed Replacement Coal-Fired Units at Kingsnorth submitted in December 2006.

The information provides further detail provided during the consultation period with the statutory bodies on specific ecological and environmental areas of consideration for the project.

The Supplementary Environmental Information has been placed on deposit at the following addresses, where, at those marked with an asterisk, they may be examined by members of the public during normal operating hours:

The Department for Business, Enterprise and Regulatory Reform at the following address:

Department for Business, Enterprise and Regulatory Reform
1 Victoria Street
London SW1H 0ET
